

Redefining Education

Do you know what's appropriate when it comes to your child's development?

Developmental Milestones | Ages 2-5

Age 2

- Plays mainly beside other children, but is beginning to include other children, such as in chase games
- Says sentences with 2 to 4 words
- Follows two-step instructions such as "Pick up your shoes and put them in the closet."
- Knows names of familiar people and body parts
- Begins to sort shapes and colors
- Shows more and more independence

Age 3

- May get upset with major changes in routine
- Talks well enough for strangers to understand most of the time
- Does puzzles with 3 or 4 pieces
- Walks up and down stairs, one foot on each step
- Understands what "two" means
- Understands words like "in," "on," and "under"

Age 4

- Is more creative with make-believe play
- Can say first and last name
- Starts to understand time
- Remembers parts of a story
- Hops and stands on one foot up to two seconds
- Plays “Mom” or “Dad”

Age 5

- Says name and address
- Is sometimes demanding and sometimes very cooperative
- Tells a simple story using full sentences
- Uses a fork and spoon and sometimes a table knife
- Counts 10 or more things
- Uses future tense; for example “Grandma will be here.”

**Welcome to the beginning of your child’s educational journey.
Bienvenidos a Roig.**

The Roig Academy Bilingual IB Preschool focuses on supporting students to acquire important learning skills for the 21st century. Our curriculum is designed to be delivered in a fully bilingual (Spanish) environment where the student is at the center.
